Current PPSC Students: RN-BSN Dual Enrollment Option

Requirements for Dual Enrollment:

- Students must have completed the 1.1 semester before starting dual enrollment
- Students must be currently enrolled, in good standing with coursework and clinical compliance and progressing through the ADN nursing program courses. The student should have no financial holds with the college. Remember the ADN Course Work Comes First!

Admission Process:

- THE DUAL ENROLLMENT APPLICATION PROCESS IS SIMPLE, since you have already been accepted to the college and the ADN program!
- Packets will be available March 1st, June 1st and October 1st in the nursing office. You may also download the application online from the Nursing/BSN website. You will need to submit a letter of intent to take dual enrollment classes and attach your unofficial PPSC and other college transcripts.

Cost Breakdown Estimate of RN-BSN Program

The most current information can be found at the following website:

<https://www.pikespeak.edu/costs-scholarships-aid/costs/tuition-fees.php>

Online in-state tuition with COF \$400/credit (2025-2026 academic year)

Total for RN-BSN Coursework \$400 credit X 30.5 credits = \$12,000

Online out-of-state tuition \$490/credit (2025-2026 academic year)

Total for RN-BSN Coursework \$506 credit X 30.5 credits = \$15,459

Online Gen Ed course fees at current tuition rates, which are approximately \$175/credit

If a student has ZERO general education credits (most students will have some complete), then cost of Gen Ed Courses is \$3150 – if in-person gen eds

- **TOTAL COST for in-state students: \$15, 150**
- **TOTAL COST for out-of-state students: \$ 18,609**

Some PPSC additional fees are associated with taking classes. These fees are listed at the following website: <https://www.pikespeak.edu/costs-scholarships-aid/costs/tuition-fees.php>

The **71.5 Credits awarded for ADN/AAS degree or Diploma and active RN license – there is no cost for these transferred in block credits, as they have already been paid for during the initial degree the student received.

RN-BSN Dual Enrollment Option – SAMPLE Curriculum

This plan will vary greatly for individual students, as some already hold a bachelor’s degree in another field of study and have completed their general education requirements. This chart starts from the time you are admitted to the Associate Degree Nursing Program at PPSC. The **Red** classes are the RN-BSN classes and the **Black** classes are the ADN classes.

It is just a word document – so move around classes to suit your unique situation!!!
